1. The following is an examiner's statement of reasons for allowance:

In a decision mailed May 19, 2004, the Board of Patent Appeals and Interferences ordered that judgment on priority as to Count 1, the only count in the interference, is awarded against the opposing party. As all claims currently pending in this application have been considered to be allowable (see the Advisory Action mailed January 2, 2003), those claims (as noted in item no. 2 on the previous page) are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
